Clark College's alumni association celebrated connections and camaraderie at the annual Alumni Student Dinner on June 4.

Students and alumni gathered to honor Outstanding Alumni Award recipient Professor Michael Greenwood '61, who taught mathematics at Clark for more than 30 years. He played a role in taking Clark and Washington State University Vancouver global when he taught at Krasnoyarsk State University in Russia on a Fulbright Award.

More than 120 students and alumni exchanged business cards and laughs over dinner, which was partially underwritten by community partner Riverview Community Bank.

The alumni association also gave two, \$2,000 scholarships to Clark students Ashton Kyllo and Natalie Hendren. The awards were given to the students by a previous recipient, Rebecca Zeff, who is finishing her degree at WSUV and plans to attend medical school following graduation.

George Welsh '67, alumni association president, said that bringing together alumni and students is a great opportunity to support each other.

“The students hear what is happening in our community from alumni, and the alumni are reminded of their own days at Clark, which helped begin many career paths,” Welsh said. “Clark is a special place and this event helps all of us stay connected.”
