[What's Changing in 2014: Changes for 2014](#)

Effective July 1, 2014, surcharges will be added to some
employees' monthly premiums:

The new state budget, signed into law June 30, 2013, included several changes related to Public Employees Benefits Board (PEBB) benefits. The budget included two new surcharges:

- A \$25-per-month surcharge to premiums for employees and enrolled family members who use tobacco products, and
- A \$50-per-month surcharge to premiums for members who cover a spouse or domestic partner where the spouse or domestic partner has chosen not to enroll in other employer-based group health insurance that has an actuarial value of not less than 95 percent of the actuarial value of the PEBB plan with the largest enrollment.

Message from Health Care Authority: "PEBB continues to receive questions about the spouse and tobacco surcharges that will begin in July of 2014. We appreciate your questions and understand that there are concerns about how the surcharges could affect you and your family. Because the surcharges have so many potential impacts, we are working to ensure we've considered all aspects in member feedback as part of our decision-making process."

Please visit PEBB's website to see current information on the status of the surcharges: Surcharges

At this time, PEBB has not determined if employees will be given an opportunity to make changes before the surcharges start in July.

For those employees who believe the \$50 surcharge may affect their monthly premiums, you may want to determine if the coverage your spouse carries will allow changes when your premiums are affected in July.

If you do not wish to change your current medical or dental plans, and you not want to enroll in a FSA or DCAP Plan for 2014, you do not need to do anything, but it is recommended that you review your online account information to verify its

accuracy.

Go to the PEBB website and select My Account on the left side of the page. (If you haven't registered yet through PEBB's upgraded system, select *Register* under *New User*.) Input your email address and password. You'll see which plans you currently have and family members enrolled on your account.

YOU CAN MAKE THE FOLLOWING CHANGES DURING OPEN ENROLLMENT:

1. CHANGE MEDICAL OR DENTAL PLANS. If you are considering changing dental plans, be very certain your dentist will be available to you in the new plan. We recommend contacting the plan for confirmation. Plan customer service information is available at the HCA website: Medical Dental Plan Contact Information
2. ENROLL, IF YOU HAD PREVIOUSLY WAIVED COVERAGE
3. WAIVE MEDICAL COVERAGE, IF YOU HAVE OTHER COMPREHENSIVE GROUP MEDICAL COVERAGE (Coverage through the Health Benefits Exchange is **not** considered group coverage)
4. ADD ELIGIBLE FAMILY MEMBERS WITHOUT PROOF OF LOSS OF OTHER COVERAGE
 1. Dependent Verification documents are required if the dependent was not previously verified.
 2. Dependent children are not required to be enrolled in school to be covered up to age 26.
5. REMOVE FAMILY MEMBERS

PEBB's CDHPs (High Deductible Plans) for 2014

The PEBB Program offers consumer-directed health plans (CDHP) with a health savings account (HSA) through Group Health, Kaiser Permanente, and the Uniform Medical Plan (UMP).

If you are currently enrolled in a CDHP or are considering enrolling in a CDHP for 2014, here are a few reminders:

- The CDHP has a lower monthly premium balanced with higher annual deductibles and higher out-of-pocket maximums.
 - To enroll in a CDHP, you must meet the eligibility requirements of the HSA.
 - The maximum contribution to the HSA for 2014 is \$3,300 for an individual and \$6,550 for an employee with one or more family members on the account. Employees ages 55 or older may contribute up to \$1,000 more annually.
- Your employer contributes \$58.34 per month (\$700.08 per year) if you are enrolled as an individual and \$116.67 per month (\$1,400.04 per year) if you are enrolled with one or more family members.
- You may also make contributions through payroll deduction (if your employer offers payroll deduction) or make a deposit directly into the HSA.
- When you calculate your contribution for the year, please include both the employer contribution and your individual contribution. Verify that you're not exceeding the maximum contribution allowed for the year. The *Employee Authorization for Payroll Deduction to Health Savings Account* form can help with your calculations.
- The HSA funds are yours to use to help pay for IRS-qualified, out-of-pocket medical expenses. The funds carry over from year-to-year, and remain yours even if you are no longer enrolled in the CDHP, leave your job, or retire.

More information about the CDHP and the HSA is available on the PEBB website.
