

Closures in Green Lot One

Work and closures will take place inside the areas marked by yellow lines.

Sections of Green Lot One will be closed off during the month of July as the college works to improve its fiber optic system. On July 15 and 16, the entire northwest portion of the lot will be closed to cars as workers determine the locations of existing underground utilities. Once those locations have been determined, smaller areas of the lot will be closed off as specific sites are worked on. All work should be done, and the entire lot re-opened, by the end of July.
