

The time is now to register for Winter

The finals have all been handed in and students are enjoying some much-deserved rest during Winter Break, but here at Clark College staff are busy getting ready for Winter Term, which begins January 6.

There are plenty of exciting classes to look forward to, including:

- The Small World Initiative (BIOL 105), a collaboration with Yale University that teaches Clark College students to search for potential new strains of antibiotics
- A wide selection of fine arts classes, including Metal Arts, Ceramics, and Graphic Design
- Business courses like Small Business Management, Introduction to e-Business, and Introduction to

International Business

It's not too late for new students to get started at Clark. Visit our new students page to learn how to begin 2020 by getting on the path to a new career.

For continuing students, the time is now to register for the next term. Need to talk with Advising or other student services during Winter Break? We're open all December long!
