

Open forums for presidential candidates announced

Dr. Karin Edwards, Dr. Lamata Mitchell, and Dr. Sara Thompson Tweedy

Dates have been set for the open forums for community members to meet the three finalists for the Clark College President position. These forums are a chance for members of the Clark College community and other stakeholders to meet the finalists and ask questions about their leadership experience and philosophy.

Each candidate will hold two open forums during their visit to the college: one that's open to the public, and one that's specifically for students. The forums will be recorded. On January 27, the videos will be available to review at www.clark.edu/presidential-search/search/finalists.php. There will be links to provide feedback available through February 4, 2020.

Biographies of all three finalists are available online at www.clark.edu/presidential-search/search/finalists.php. Full resumes are also available online at <http://www.clark.edu/presidential-search/search/forums.php>.

A fourth finalist, Dr. Joaquín G. Martínez, has withdrawn from the hiring process.
