

Get a Running Start at Clark College

High school students can learn how to take the next step in their education by attending one of four optional Virtual Running Start Information Night sessions hosted by Clark College.

The identical sessions will be held 6:30 p.m. – 7:30 p.m. on Monday, Jan. 25; Tuesday, Feb. 9; Wednesday, Feb. 24; and Thursday, March 18. All four events, which are free and open to the public, will be held virtually over Zoom.

Running Start allows eligible juniors and seniors to earn college credit while they fulfill their high school graduation requirements. Running Start students attend Clark classes along with “regular” college students. They can choose from a full range of academic and professional and technical

courses.

The program, which can significantly reduce the cost of a college degree, has proven popular in Southwest Washington. Some Running Start students are so motivated that they earn their associate degree from Clark at the same time that they earn their high school diploma. These annual information nights frequently attract hundreds of interested students and parents to the college.

These information sessions are for students and parents who want to know more about beginning the program in Fall 2021. While the sessions are completely optional, they are a good opportunity to hear current Running Start students candidly describe their experiences in the program and to learn about the program benefits, eligibility criteria, expectations, timelines, and more.

An American Sign Language interpreter will be available at each session. Additionally, the first session will be recorded and afterward available with translations into other languages online at www.clark.edu/runningstart.

Running Start students pay for books, transportation, and some fees, but do not pay full Clark College tuition. Students can attend part-time or full-time under the Running Start program. Fees are subject to change by the Washington State Legislature. A fee waiver is available for those demonstrating financial need.

Individuals who need accommodation due to a disability in order to fully participate in this event should contact Clark College's Disability Support Services Office at 360-992-2314 or 360-991-0901 (VP) as soon as possible.
