Clark College President Dr. Karin Edwards was recently named a Paragon President by the Phi Theta Kappa Honor Society (PTK). The award recognizes college presidents who have shown support of student success initiatives leading to stronger pathways to completion, transfer, and employment. They have taken an active interest in supporting students, including high-achieving students and developing student leaders on campus.

“This award is especially meaningful to me because I was nominated by our students,” said Dr. Edwards. “Nomination and selection for this award is recognition that PTK and other students know they have my support.”

To be eligible for this award, college presidents and CEOs must be new in their role, having served less than three years. Recipients are nominated by students on their campus and are only eligible to receive the award once. These 20 recipients were selected from among 426 college presidents, chancellors, and CEOs eligible to receive this award.

“These college presidents have students-first leadership styles and have made it a priority to keep students engaged throughout the pandemic,” said Phi Theta Kappa President and CEO Dr. Lynn Tincher-Ladner. “Their nomination is evidence of the gratitude their PTK students feel for supporting them and students like them—even during the most difficult times.”

All PTK Paragon Presidents will be recognized during PTK Catalyst 2022, the Society’s annual convention in Denver, Colorado, on April 7-9.

About Clark College

Founded in 1933, Clark College provides residents of Southwest Washington with affordable, high-quality academic and technical education. It is a public community college offering more than 100 degree and certificate programs, including bachelor’s and associate degrees; professional certificates; high school diplomas and GED preparation; and non-credit community and continuing education. Clark serves a wide range of students including high school students, displaced workers, veterans, parents, non-native English speakers, and mature learners. Approximately three-quarters of its students are in the first generation of their families to attend college. Learn more at www.clark.edu.
