The Clark College Facilities team is removing the old coin-operated meters and installing the new signage that provides a link to installing the ParkMobile app.

ParkMobile will provide Clark College with a modern, convenient, and user-friendly parking experience. The *ParkMobile* parking app is an innovative, easy-to-use mobile

platform that allows you to pay online for parking, extend your parking time, and receive notifications when your parking is about to expire.

- Simple video guide on downloading and using the *ParkMobile* parking app
- Download ParkMobile app [here](#).

Questions? Call Clark College Security at 360-992-2133.

Key benefits of using the ParkMobile system:

1. **Convenience:** You can pay for parking from anywhere, at any time. No need for cash or coins.
2. **User-friendly:** The app is easy to use, with a simple, intuitive interface.
3. **Flexibility:** You can extend your parking time remotely, without having to return to the parking meter.
4. **Notifications:** You will receive notifications when your parking time is about to expire, giving you the opportunity to extend your time if needed.
5. **Secure:** The app uses advanced security measures to protect your personal and financial information.
