

STEM scholars

The Mathematics Department is excited to announce the recipients of this year's Sigma Scholarship. This scholarship was established in summer of 2020 to support and encourage students who are traditionally underrepresented in STEM fields to pursue higher-level mathematics.

Congratulations to our 2023 Sigma Scholarship recipients:

Abou Bakar Berthe

STEM field: Mining Engineering

2023-24: Clark College

Oliver Rosas

STEM field: Civil Engineering

2023-24: Clark College

Spencer Henwood

STEM field: Computer Science

2023-24: Portland State University

Isaac Osorio Beltran

STEM field: Computer Science or Engineering

2023-24: Clark College
