

60th Jazz Festival Results

Henrietta Lacks High School was one of the bands who participated in the festival. *Clark College/Jenny Shadley*
Thanks to the student musicians, band directors, chaperons, family, and community members who attended the 60th Annual Clark College Jazz Festival from January 25-27. Nearly 60 middle school and high school jazz bands performed and delighted the appreciative audience—from toddlers to seniors. I'm pleased to announce the 2024 Jazz Festival results.

The top award of the competition is the Dale Beacock Memorial Sweepstakes trophy, named after the Clark College band instructor who brought the jazz festival to our campus so many years ago.
