Congratulations to the 144 Clark students who became members of Alpha Sigma Phi, Clark College's chapter of Phi Theta Kappa honor society during spring term. PTK celebrated these new members with their families at the 2024 spring term Induction Ceremony on May 28.

The official honors society for two-year colleges, Phi Theta Kappa (PTK) recognizes the academic achievement of college students and provides opportunities for its members to grow as scholars and leaders. Students are invited to join PTK when enrolled in at least 12 credits per term and achieve a minimum 3.25 grade point average. Clark's PTK co-advisors are Darci Feider and Heather Leasure.

During her keynote address, Clark College President Dr. Karin Edwards said, "I am confident Clark's PTK chapter will continue to make an impact on our community."

Dr. Edwards continued: “To our graduating students, I want to extend my congratulations. Your resilience and passion have brought you to this moment... Access to a good education is life changing. Education is a great equalizer. Never forget the power of education. Never stop learning.”
