Excerpts from Patricia's nomination

"Trish consistently demonstrates a profound commitment to enhancing CCE departmental operations and the student experience at Clark College, fully embodying the criteria for special achievements. She actively seeks out and implements innovative efficiency measures that benefit both students and staff and, in turn, the college community. For instance, Trish has sent proactive reminders to students about upcoming classes, which has led to improved attendance rates and minimized no-shows and late drops."

"Trish maintains an exemplary commitment to fostering and supporting individual and organizational diversity and inclusion. Over the past two years, she has welcomed over 5,000-plus test takers from a myriad of backgrounds, creating an inclusive environment at our testing center. Her efforts extend beyond mere numbers; they are rooted in genuine engagement with individuals from diverse cultures, languages, gender identities, and life experiences. One of her distinguishing qualities is her openness to discussions about equity and inclusion. She actively engages with visitors who may face language barriers when seeking support in our office. This dedication not only aids in breaking down

communication obstacles but also fosters a sense of belonging among those we serve. Her lived experience as an immigrant enriches her perspective and inspires her advocacy."
