Congratulations to the 23 Clark College honors students who became members of Alpha Sigma Phi, the college's chapter of Phi Theta Kappa (PTK) during this winter term. PTK celebrated these new members at the 2025 Winter Induction Ceremony on March 4.

The official honor society for two-year colleges, PTK recognizes the academic achievement of college students and provides opportunities for its members to grow as scholars and leaders. Clark's first PTK induction ceremony was in 1991.

Students are invited to join PTK when enrolled in at least 12 credits per term and achieve a minimum 3.25 grade point average.

“Phi Theta Kappa is all about recognition,” said Darci Feider, PTK advisor. “During our induction ceremony, we recognize people for being scholars, for their achievements, and for being a part of our community.”

Additionally, Feider spoke on the importance of storytelling and connecting with the *Honors In Action* project that Phi Theta Kappa submitted in December 2024. Presented by Vice President of Service Jude Georgeades-Tambara, the *Honors in Action* project is a PTK program that combines academic research and service to address issues within students' communities. The project's 2024-2025 theme, *The Power of Storytelling*, was encapsulated in the induction.

## **2024-25 PTK Officers**

The 2024-25 PTK officers are Mary Chavez, Vice President of Scholarship; Lindsey Quiroz, Vice President of Fellowship; Jude Georgeades-Tambara, Vice President of Service, and Malina Siharath, Director of Public Relations.

## **Officer Applications Open**

Officer applications are now open for the 2025-2026 school year. Benefits include professional development, public speaking skills, networking, training, and travel opportunities.

## **All-Washington Academic Team**

PTK scholars representing Clark College will join PTK scholars from all the state's 34 community and technical colleges to be recognized at the 2025 All-Washington Academic Team ceremony

on April 24 at South Puget Sound Community College in Lacey.

The All-Washington Academic Team program recognizes and honors the state's finest higher education students attending two-year colleges. The program has become the showcase for Washington's community and technical colleges because it honors the academic high achievers, the individuals who have demonstrated a commitment to success in their classrooms and in their communities. This recognition demonstrates the state's commitment to scholarship and community service on the part of those attending the state's public community and technical colleges. Learn more here.
