## Penguins march more than 27 million steps

Eighty-eight Clark Penguins got up and moving during the month of October for the first ever Walktober Challenge, a physical-activity challenge in which employees competed against the WSU Vancouver Cougs and the Lower Columbia College Red Devils. Some participants hiked, biked, or ran off-campus; others chose to take a fitness class or walk the Penguin Paths on the main campus walkways. Regardless of the activity, all steps added up to earn Clark College second place for the highest step average. Clark may not have taken home the trophy this year, but the college did have the highest number of participants, and collectively logged in 27,734,670 steps. Way to go, Penguins!

A big congratulations to the top three Clark Champions who logged the most steps and were each awarded a prize:

- **1st place at 679,836 steps:** Sally Demos, Library
- **2nd place at 663,350 steps:** Mark Bolke, Biology

## Spring Quarter Classified Staff Excellence Award

Counseling and  
Health Center  
Administrative  
Assistant Marianne  
Luther

Congratulations to **Marianne Luther**, recipient of the 2015 Spring Quarter Classified Staff Excellence Award!

Marianne Luther is the secretary senior for the Counseling and Health Center and is on the “front line” for walk-in students

in crisis.

Luther is described as “wonderfully calm, friendly, supportive, and compassionate to all students visiting the center.” She patiently speaks with students to find out what they need; researches resources and provides directions to services on campus and in the community.

Luther has independently transformed the CHC lobby, adding free herbal tea, calming posters, positive thoughts that can be torn off, puzzles, coloring books, and create-a-poem magnets. On her own initiative she created a “chill out” room where students can call crisis lines when counselors are unavailable.

Luther maintains a positive attitude and is very respectful and courteous to those around her by placing the needs of others in front of her own. One of her colleagues describe her as “by far one of the best administrative assistants I have ever had the pleasure of working with. Her warm demeanor, can-do attitude, compassionate tone, and friendly sense of humor have made her a huge asset to the Counseling and Health Center.”

Also nominated this quarter were:

### **Vanessa Meyer**

“Vanessa Meyer was recently promoted to secretary senior in the Behavioral and Social Sciences Department, and has done everything needed to keep the place organized. She takes care of lockers, printers, and paper and ink cartridges as well as maintaining the mail room and keeping it free of clutter. She goes the extra mile to keep the break room tidy. Everything she does is orderly. When help is needed, Meyer takes prompt action and even delivers letters and books to faculty members who are less frequently physically present. The most important thing about her great customer service is her cheerful attitude. Vanessa displays a high degree of courtesy to her

colleagues and others look forward to her services. Above all, this employee is polite and shows courtesy to the students, faculty and staff.”

### **Gail N. Robinson**

“eLearning’s secretary senior, Gail N. Robinson, is a real cheerleader for success and will do anything to help all of her coworkers be successful in their jobs. Gail takes pride in making everyone around her shine. When she sees a need she finds a way to help in any way she can. She considers each person’s contributions and wisely considers all pieces for the best outcomes – she is very good at bridging gaps between biases and services. She respectfully communicates and advocates for those she supports. This is evident by the way she identifies events and opportunities for the eLearning staff, our Dean and other departments in the CLASS unit to reach out to and to support the college community. It is amazing how she organizes her time to accommodate so many staff so successfully. It is a privilege, to state the least, to have Gail as an eLearning team member.”

### **Thor Tesdale**

“Thor Tesdale works for Facilities Services at CCW, as Maintenance Mechanic 2 and Painter. When Thor looks at a job, rather than saying it can’t be done, he helps figure out ways to make it happen; and make it happen within financial limitations. He prioritizes jobs so that the most pressing deadlines are met first and schedules his work to minimize disruptions to students, faculty and staff. He also helps other co-workers complete tasks not related to his typical responsibilities. Thor is a team player! Many employees that work in facilities are not highly visible but their work impacts the college community in such a positive way. Thor is one of these people. His attention to detail is to be commended.”

## Lynn VanHoomissen

“A former graduate of Clark College, Lynn VanHoomissen has worked in the Security Department as a parking checker, security officer, emergency communications operator, and currently as the program support supervisor.
