

# Summer 2018 Classified Excellence Award

Sherry Smith

Congratulations to **Sherry Smith**, recipient of the 2018 Summer Quarter Classified Staff Excellence Award!

Sherry Smith is the Administrative Services Manager B for the Science, Technology, Engineering, and Math (STEM) department. Smith shows exemplary work performance in many ways and is said to be the “go to” person in STEM for mostly everything. Smith has strong ethics, is extremely well-respected for her diligence and hard work, maintains good working relationships with people around the Clark campus, and often goes above the call of duty. Over the years, Smith has been both a supervisor and a colleague; and those she has worked with have observed her professionalism/integrity. She is resourceful and her high quality work performance at the college is outstanding and is creative with finding ways to solve problems and presents workable solutions for her staff and department. She wants people to be successful and can simplify tasks so that they happen accurately and timely.

These are just some of the comments and highlights that are echoed by many staff, faculty and colleagues:

"She has handled her position with impeccable skill, resourceful determination, and intuitive propriety. In making decisions, she often gets a consensus of perspectives from several individuals, or group discussion participants, who have knowledgeable understanding of the topic at hand. Organization and planning are two subjects she has fine-tooled to achieve her objectives. In her daily operations and conversations, she sets a calm, cool-tone persona, when engaged with concise dialogue for key issues needing acceptable conclusions by all in a timely manner."

"Sherry exemplifies leadership, initiative, cooperative spirit and positive energy. She is able to share her perspective with others respectfully. She excels in a team environment in ways that make everyone feel respected and heard. She extends an understanding to students with whatever situation or question they may have, and puts them at ease so that progress can happen."

"Sherry is the pillar that supports the whole STEM Unit. She is always happy to assist students, faculty, and staff. When her staff have questions or concerns, Sherry is quick to respond and offer solutions. When students or faculty are directed to Sherry, they are in good hands and Sherry will do everything in her power to help them."

"Sherry is a real asset to the college and the unit. She is always positive and a pleasure to work with. Her extensive knowledge of Clark College has been critical to the staff and faculty's ability to do their jobs."

"Sherry's exemplary work ethic is also evident through her continued commitment to supporting students. While fostering a welcoming atmosphere, she shows a genuine interest and ability in helping them with a multitude of issues. As a result, they

are compelled to reach out to her. It is not out of the ordinary for Sherry to step out of the office for one purpose then return with an additional one; many times returning with students that needed assistance in tow. It seems that when students cross her path with an issue, she makes the time to ensure their needs are met rather than delegate the task to her staff, even though her schedule is always seemingly very hectic. Sherry understands that students are a very important element of her job, and she really does care about them. She is very aware that they are a critical component to the success of Clark College and the community.”

## **Congratulations, as well, to all nominees for the Summer 2018 Quarter Classified Staff Excellence Award:**

- Heather Adams, Administrative Services Manager A
- Ian Beckett, Instruction and Classroom Support Tech 4
- Chris Chaffin, Interim Program Manager A
- Denise Deane, Custodial Supervisor

**Heather Adams** is the Administrative Assistant 4 to the Dean of Student Engagement for Student Affairs. In that role, she has provided administrative coordination the office of the Vice President of Student Affairs, as well as for the BITA, Title IX and conduct areas. She tracks budgets, makes travel arrangements, facilitates communication via email, phone and in-person with students and community partners, and has coordinated team meetings and special projects on behalf of the Dean. Adams is described as a high-performing, detail-oriented, global-thinking, and emotionally intelligent professional.

Other comments about Heather Adams:

- “Heather creates a positive, welcoming atmosphere for students and colleagues to stop by and ask questions, or

to wait to meet with me regarding conduct issues. She has strong knowledge of not only the college community, but the larger Clark County community. She readily offers this information to coworkers and students who have questions that reach beyond the Dean of Student Engagement's office. Heather engages students in a meaningful way even when her interactions with them, or theirs with our office, is brief. She continually provides information to students about how the Dean of Student Engagement, and Student Affairs, can be of assistance to the student's individual success. One of my favorite things is when these students take Heather up on her offer to 'stop by and say hi' to our office even when they do not have a question or need; it is clear evidence that Heather excels at community-building and cares for Clark."

- "Heather is continually looking for ways to interact with all levels of the Clark College community. She has become a valuable resource with her creative ideas and solid problem solving. Heather has taken on the role of co-presenter on various Student Care presentations – specifically within the areas of BITA, Conduct, and Title IX. Heather is regularly scheduled to co-present at the quarterly New Faculty Orientation meetings and other invitations that arise; she is a competent and engaging presenter who can easily take the reins if the other presenter is unavailable."
- "Heather serves as investigator for student related Title IX cases by investigating alleged discrimination and/or harassment. In addition, she interviews complainants, respondents, and material witnesses; and obtains and review documents and other relevant materials from complainant and/or respondent. This work can be difficult and draining; she handles it professionally and efficiently."

**Ian Beckett** is an Instruction and Classroom Support Tech 4 for

the Art department and has provided outstanding service to the college community for over 17 years. Ian is described as a highly skilled professional, knowledgeable, polite, and respectful to all everyone that he works with who provides unparalleled customer service to the Clark College art community.

Other comments about Ian Beckett:

- “He has always been a fabulous help on short notice anytime and all the time for all my needs! Ian really reaches out to all students in all their needs and questions for assistance and guidance.”
- “Not only does Ian create a master schedule that staffs our labs fully with both employees and volunteers, but he is always there to help with any questions, conflicts, and concerns—whether school-related or not. I’ve heard him talk down crying students dealing with failing classes, going through breakups, and any variety of things that happen to students while in college. The bond he builds with his workers is lasting and many see him as a very supportive mentor. There is no way we could staff the building as we need to without the strong relationships that Ian builds with the people in our community.”
- “Ian is loyal, hard-working, consistent, of high integrity, and witty! We are so lucky to have him on our team.”
- “Ian is also innovative in resolving issues. An example is a need that came up in the ceramics lab. He worked with my theatre shop crew to design and build tables and shelving to resolve the issue in a cost effective way. I also view Ian as a resource for anything that might come up in the building that needs attention. He’s my ‘go-to’ guy.”
- “[As a photography student] my first interaction with Ian was when I wanted to borrow a camera from Clark and

emailed Ian for that. I was amazed by how willing he was to reply to my questions and help me through the process. Also after handing me the camera he said: 'Now you go and make some art!' I don't think any other staff member motivates a student as much as he did on the very first meeting."

**Chris Chaffin** is the Interim Program Manager A for Tutoring Services and is described as someone who shows passion and excellence in everything he does. He is highly active in many aspects of college life, dedicated to social equity on this campus, and an advocate for all employees and students who seek his council. He always makes time to make everyone feel heard and valued. Communication, both written and verbal, are perhaps Chris' greatest talent and is thoughtful and articulate in his interactions. Chris is (perhaps unknown to himself) a self-appointed ambassador of the campus community. He makes a point to meet everyone, file away names and important facts, and maintain positive relations amongst the faculty, staff, students, and public. He is always positive and welcoming to those entering tutoring spaces and regularly cannot trek from one space on campus to another without multiple interruptions from others seeking his council or simply wishing to touch base.

Other comments about Chris Chaffin:

- "Chris has a strong work ethic. He is very organized and likes things to be done correctly, the first time. He is not shy about asking questions for clarification or to provoke thought. One of his greatest skills is the ability to critically think and challenge others to do so as well. I have observed him doing this in a variety of settings, with students, faculty and staff. He serves on various committees and initiatives here at Clark. He is committed to a wide range of social justice issues and acts in a manner that so many find approachable and supportive. He believes in equity for all while at the

same time insisting on personal responsibility and accountability. He is the very first one to lend a helping hand, only after the individual has given it an honest effort to begin with.”

- “I am very active in asking questions and sharing ideas/suggestions/concerns. Chris has always been gracious, accepting, and liberally gives me his attention and consideration. I feel safe and confident reaching out to him about anything on my mind.”
- “Chris takes the time to talk with others on campus, gets to know them, finds out what they contribute to the campus community and leaves with better information to refer other students/employees to them or to a particular department.”
- “Chris always makes sure employees are up-to-date on changes, and is always asking for feedback on how we feel, and if there is anything he needs to work on. He is constantly checking up on his employees and gives us confidence. Chris is always caring and understanding towards all of his co-workers and employees.”

**Denise Deane** is the Custodial Supervisor in Facilities-Custodial and is described as someone who provides excellent customer service to people using the college campus for events. Though much of her work is behind the scenes, her passion for our custodial team to perform and provide clean facilities provides daily customer service to the entire campus. She works closely with groups and supports many of the activities on our campus. She encourages teamwork and cooperation for the custodial department.

Other comments about Denise Dean:

- “Denise has been involved in many departmental projects. She recently completed training manuals and worksite books to help the custodial staff in their organization and efficiency.”
- “She will reach out to other departments to help

coordinate events, special cleaning, and to ensure that we are providing a good service to the school.”

- “Denise has shown excellence consistently in her duties as the Custodial Lead Person. Recently she has seen a need, leapt into action, and started several projects to help the custodial team. This was all done behind the scenes to help ensure that others have the information that is needed to thrive in doing their work.”
- “Last winter, when the campus was hit with graffiti, Denise was here on a weekend in the cold rain helping make sure the campus was cleaned up and ready and looking good for Monday morning.”
- “She has been carrying an extra-heavy workload, being the only permanent custodial supervisor for the last year. Denise takes great pride in her work and excels in any task that are delegated to her. She ensures that events are set up as the groups outline and she will reach out to the events staff if there is something that she needs defined.”

## **Winter 2018 Classified Staff Excellence Award**

Eben Ayers

Congratulations to **Eben Ayers**, recipient of the 2018 Winter Quarter Classified Staff Excellence Award!

Eben Ayers is a Campus Security Officer for Security and Safety and is described as someone who “consistently demonstrates a high level of professionalism and compassion for his fellow human beings” and “frequently looks for opportunities to help someone “have a better day.””

Ayers began his career at Clark College more than 15 years ago as an intern from the Clark County Skills Center (now Cascadia Technical Academy). While he has pursued other opportunities over the intervening years, he has spent many years working for Clark Security and Safety, first as a Parking Enforcement Officer and now as a Security Officer. In that role, Ayers serves as a member of the college’s Title IX team. He also has taken the lead on coordinating with leadership within the STEM Building to develop and communicate security protocols and operating hours of the computer labs that are housed within the newest building on campus. Additionally, he serves as advisor for the Clark College Realm Runners Club.

One example of how Ayers applies compassion and professionalism to his daily duties took place last summer, when he helped the owner of a home across the street from the

main campus that had caught on fire. Ayers escorted the homeowner to a nearby room where she and her dogs would be safe, then made sure that she had no immediate medical needs and helped her reach out to friends and family.

Another example can be seen in an article published in the Independent (and later republished in the Columbian) last October entitled "Clark after dark: a night with campus security," in which a reporter followed Ayers on his rounds and documented his compassion toward some transient visitors to the campus. One nominator noted, "Eben does not seek the spotlight and was reluctant to give the interview, but he felt that helping a student reporter and representing the security department, and ultimately the college, was a higher priority than his personal comfort."

Below are more comments from nominators about Ayers:

- "Eben is a very reliable, personable and friendly person. When Eben works security for any major events on campus, I find him to be steadfast and committed; always willing to go above and beyond to help with no questions asked. Clark is lucky to have Eben on the Security team!"
- "One of the most distinctive qualities about Mr. Ayers is that while he is very professional at his work, he also connects with people in a compassionate way. He works fervently in order to save the people dignity at the same time that he applies policies that need to be applied."
- "I have known Eben for over 15 years. All of those years have been in association with Clark. Eben first started with our department as an intern through a program he was attending at the Clark County Skills Center. This was in conjunction with his high school course work. Eben has pursued different opportunities over the years, but has always returned to Clark Security. After his time as an intern, he returned as a Parking Enforcement

Officer where his attention to detail, willingness to help others, and excellent work ethic, were put on full display. He easily became someone the department could count on.”

- “When I first started at Clark College, Eben was an invaluable source of information on both practices in the department, as well as policies and procedures for the College community as a whole. Eben was able to help me answer difficult questions I had about my position and suggest innovative and creative solutions to some of those problems. In particular, his thoughts and insights on crafting a database to track authorized access for students and staff helped me greatly.”
- “Eben ... is quick to follow up with open reports and always conscientious of the multiple departments that may be involved in cases. Eben approaches his work with a calm and clear vision for the potential outcome of a situation. He is thoughtful in his approach and thinks of the student/campus above all. Eben personifies what it means to be a Clark Penguin. He puts customer service at the forefront with the entire campus community including visitors. Eben has a calm sense about him and with that skill, he is able to deescalate situations that have the potential to go awry. In Eben’s role as a security officer and club advisor, he is a great listener, communicator, and role model. As a member of the Title IX team, Eben is thoughtful in his approach to investigations and working with students and staff that may be involved in the situations he is working with.”

**Congratulations, as well, to all nominees for the Winter 2018 Quarter Classified Staff Excellence Award:**

**Heather Adams** is the Administrative Assistant 4 to the Dean of Student Engagement for Student Affairs, a role that provides administrative coordination for not just the dean, but also for the teams handling Behavioral Intervention and Threat

Assessment, Title IX, and conduct areas. Having recently earned her master's degree in Student Affairs Administration, Ayers has become an integral member of the Title IX team, investigating alleged discrimination and/or harassment. "This work can be difficult and draining," wrote her nominator. "She handles it professionally and efficiently."

Other comments about Ayers include:

- "She has strong knowledge of not only the college community, but the larger Clark County community. She readily offers this information to coworkers and students who have questions that reach beyond the Dean of Student Engagement's office. Heather engages students in a meaningful way even when her interactions with them, or theirs with our office, is brief. ... One of my favorite things is when these students take Heather up on her offer to "stop by and say hi" to our office even when they do not have a question or need; it is clear evidence that Heather excels at community building and cares for Clark."
- "Heather is continually looking for ways to interact with all levels of the Clark College community. She has become a valuable resource with her creative ideas and solid problem solving. Heather has taken on the role of co-presenter on various Student Care presentations – specifically within the areas of BITA, Conduct, and Title IX. Heather is regularly scheduled to co-present at the quarterly New Faculty Orientation meetings and other invitations that arise; she is a competent and engaging presenter who can easily take the reins if the other presenter is unavailable."

**Allison (Allie) Fjeldheim** is a Warehouse Operator 2 in Purchasing and Central Services. Her nominator praised Fjeldheim for her attention to detail and commitment to customer service. As an example, they recounted an experience of trying to track down a tool that had not arrived as

ordered. "Allie was on the spot, knew exactly what order I was speaking of, and was able to provide specifics on the order," the nominator wrote. "Allie had already contacted the vendor and tracked the tool for us."

Other comments about Fjeldheim include:

"Recently, I ordered some student supplies. I received the package, but was short some of the items. In following up with Allie, I was informed that not only had she noted the discrepancy, but had already contacted the vendor and the shorted items were being shipped."

"It is really great to know that we've got Allie on our side when it comes to orders and tracking."

**Jennifer Lea** is an Administrative Assistant 3 in the Business Division, where, a nominator writes, she "manages an enormous amount of information with accuracy, efficiency, and ease."

"Responding to all requests on time and within the budget, she assists in planning faculty schedules; responds to catalogue requests; provides us with classrooms; oversees requests for book orders, supplies, travel, and equipment, along with any other number of office and managerial responsibilities," the nominator added. "In addition, she supports the Director of the Bachelor of Applied Science in Applied Management (BASAM) program, by sending out timely correspondence to students in two cohorts, making sure each term that their classes are accurately represented in the schedule, providing students with appropriate class registration codes, and tracking the students within the program, as they might move from the two-year schedule to the three-year schedule. Orientation letters and materials prove to be accurate, and promotional/informational letters are always completed with expertise and professionalism. Jennifer provides logical and helpful advice in the completion of many of these tasks."

Other comments about Lea include:

- “Jennifer is a central part of the business department. She daily guides us and responds to our needs. Her interactions with the students are always positive.”
- “Jennifer is patient and is always pleasant to everyone. When students go to her with questions, she either has the answer or finds the answer to their questions. This is also true of faculty. When we need accomplish something and we don’t know to do so, she figures it out or already knows.”
- “Jennifer arranges for BASAM orientations beyond normal work hours. She has everything well organized to include every detail; i.e. name tags, ordering all the food, has the room organized stays into the evening through the event and then cleans up. The first BASAM orientation there was a lot of food left over so she took it to a homeless shelter. In my mind, that is going beyond expectations.”

**David (Dave) Mott** is a Custodian 2 in Custodial Services. He was nominated by members of a department that he helps to maintain. They noted his “positive attitude, great customer service, friendliness, and willingness to help. “Even though we only see Dave a couple of days a week for a short time, he always asks if we need anything else, offers help and always displays a positive attitude,” said one nominator. “He takes the time to get to know you while getting his job done.”

Other comments from the team include:

- “On days when he has to vacuum and noise may be disruptive to the office, he is considerate and starts on the areas that are less disruptive to our team. He also asks if there are other areas that need vacuuming that may not be part of his regular duties. “
- “Dave does a wonderful job of working quickly and efficiently, while still taking time to get to know his colleagues and build relationships with them. ... I always looked forward to having Dave come through the office in

the mornings and having a quick chat with him.”

- “Dave always goes above and beyond to provide great customer service. For example, we put in a work order for tables to be delivered on a Friday for a going away party. Dave saw the work order and offered to take care of it sooner because he would already be in our building and had the right stuff to complete the order while he was also coming through to do his normal work. He always goes the extra step to make sure people are taken care of and get the things they need.”

**Sherry Smith** is an Administrative Services Manager B in the Science Technology Engineering Math (STEM) Division. She was instrumental in overseeing the move of the STEM Division into its new location at the STEM Building, which opened in 2016.

Comments about Smith include:

- “Sherry is the ‘go-to’ person in STEM for everything. Most importantly, when we were preparing to move into the STEM Building, Sherry took the lead. Sherry was the liaison for faculty and staff, making sure we had what we needed to make the processes as smooth as possible. This was an immense relief to faculty, as we knew with Sherry in charge nothing would get overlooked.”
- “If I have what seems to me to be a complex issue or question and pose it to Sherry, she graciously says she’ll look into it and get back to me. I am always surprised by a prompt and thorough response where she gets an answer and further helps me out by filling out necessary paperwork if needed. Usually all I have to do is sign something and what seemed like a daunting problem to me is solved.”
- “In the years I have worked with Sherry, both when she was my supervisor, and also as a colleague, I’ve observed her professionalism and integrity to be accurate, resourceful and consistent in her work performance at the college. She is creative with finding

ways to solve problems and presents workable solutions for her staff and department. She wants people to be successful and can simplify tasks so that they happen accurately and timely.”

- “Sherry is a real asset to the college and the unit. Her willingness to solve problems and her extensive knowledge of Clark College has been critical to our ability to do our jobs. She is always positive and a pleasure to work with.”

**Mitchell (Mitch) Sott** is an Engineering Technician 3 in Workforce, Professional and Technical Education. He was commended by a nominator for his work in setting up the new McClaskey Culinary Institute kitchens, noting that often he had to design and fabricate elements like shelving, splash guards, and stands himself.

“He has been a key player in creating a safer work environment,” they wrote. “Mitch checks on his work, making sure items are functioning safely and properly.”

Other comments about Sott include:

- “Mitch is a valuable member of the WPTE team – interacting positively with faculty, students and staff in the kitchens.”
- “He communicates clearly with faculty and staff in the problem solving and design stages of custom fabricated solutions.”

**Victoria Walters (Ong)** is a Program Coordinator in Advising. Comments about her include:

- “Victoria is always asking questions, and listens to student with an open mind. She is excellent at prodding our students for additional information to ensure she is using a holistic mindset to help our students navigate college life. She tries to connect with other staff outside her department in an effort to avoid ping-pong

students. She consistently provides outstanding service and always has the student's best interest in mind. She has contacted me on multiple occasions to confirm what the student needs in regards to appealing or requesting reinstatement. She has also provided students with my contact information directly in order to help the student navigate the complexities of financial aid."

- "I feel Victoria is consistent in providing excellent service to our students and goes above and beyond expectations by not pinging students and taking that extra time to evaluate the needs of our students and guide them in the right direction."

**Shelly Williams** is a Program Coordinator for the Music department. Her duties are wide-ranging, from ordering sheet music to handling much of the organization of the college's annual jazz festival, and from supporting faculty to promoting concerts. Outgoing band director Rich Inouye said, "Shelly is one of the most generous and uplifting people I have had the pleasure to work with, but she is also a true professional in her ability to take care of business. After running the jazz festival for a couple of years by myself, bringing Shelly on board as the coordinator was a blessing and her contributions have been integral to the festival's success."

Other comments about Williams include:

- "Her dedication to the department and college is an invaluable and immeasurable resource to Clark and the greater Vancouver community. The reputation of the Clark Music Department and Clark College Jazz Festival holds throughout the nation clearly demonstrates the excellence Shelly demonstrates in her execution of her duties."
- From a student: "In all my four years at Clark College, Shelly is the most kindhearted and joyful staff member I have ever met. Her attentive spirit keeps music students (and faculty) organized and she develops a healthy and

professional relationship with each student. With no favorites and a heart for music, she always finds a way to brighten up the music department and give weary music majors the tools to succeed.”

- “She is the most positive and upbeat person I’ve ever met! ... She genuinely cares for students and puts their needs first. With her, they can share their fears, needs, stories, jokes—the list goes on!”

Udwary**

Rebecca Udvary

Congratulations to **Rebecca (Becky) Udvary**, recipient of the 2017 Summer Quarter Classified Staff Excellence Award!

Udvary is Secretary Senior for the Art & Theatre department and is described as someone who “demonstrates her commitment to the College Community in a number of ways.” Whether Udvary is serving on Clark College’s Safety Committee, assisting someone in need, coordinating usher coverage for all Clark College Theatre productions, applying data analysis techniques to find equitable practices that better accommodate the needs of students and her department, or greeting folks with a warm, friendly smile – she is seen as a “valued member of the Penguin Nation.”

Other comments about Udvary include:

Udvary is described as someone who treats those she meets with respect and understanding. One nominator wrote, “Becky maintains a welcoming, upbeat, ‘can-do’ attitude within our whole department. No problem is too small or big for Becky. I’ve seen her greet lost people tumbling in off the street with the same graciousness as she would the president of the college. Becky does a particularly good job of meeting the needs of both faculty and students in the Art department, and does an excellent job of communicating back and forth across

that spectrum. Students and faculty all appreciate how welcoming, informative and helpful Becky is."

Udwary is not only described as welcoming and supportive, but as someone with many diverse talents and interest areas. In fact, one nominator wrote, "Her talents know no bounds." With a former career in information technology (IT), Udwary applies her skills in graphic design, social media promotion, and troubleshooting to assist the needs of her department. Outside of her interest in technology, "Becky has enthusiastically taken classes in photography and ceramics, as evidence of her comfort in being in the 'learner's seat' at Clark – a good role model for us all!"

Directly related to her job, Udwary models excellent work performance and outstanding customer service to the college and broader community. A nominator mentioned, "Becky operates as a highly skilled professional, assisting the Art department with advanced administrative techniques and acumen. Each quarter, Becky compiles a spreadsheet that outlines all of the Art classes, class times, instructors, and class locations. This spreadsheet enables students and faculty to quickly determine the most efficient means of addressing their needs. It is an invaluable resource."

Udwary not only provides great assistance to her department, but also does so for Clark College's Safety Committee. One nominator wrote, "In addition to being pleasant, helpful, and willing to help others on campus, Becky also directly contributed to making Clark College a safer place to work and study." An example of this is when Udwary volunteered "to expand her role as an Emergency Building Coordinator to serve as a member of the Emergency Communications Team and acting as the South Campus Lead. In that role she helped to restructure the radio communications protocols for the Emergency Building Coordinators (EBC's), took a lead role in reprogramming all EBC radios, found time to help the Emergency Manager conduct comprehensive testing of two separate radio systems, provided

training to her fellow EBCs on the new radio protocols, and took on a lead role in coordinating communications during the evacuation drills that were conducted on main campus in May.”

For instance, "the service center was tasked with bringing in over 200 mobile devices for Windpws 10 upgrades, and David took this task and planned it out, created documentation, and ran scenarios before we went live. He came up with unique ways to make the Win 10 transition for our mobile laptop customers as easy and with the least impact as possible. David also trained all of the other technicians. This made our piece of the Windows 10 upgrade go extremely smooth, and his work ethic to get over 200 devices migrated to Win 10 was nothing short of amazing."

She then shares that information with others’ in the unit who will benefit from having that information as well.” McAllister is someone who is honest, organized, and “should be noted for her flexibility and willingness to contribute to the transition with a secretary retiring and being replaced in the past couple of quarters.” She is “confident to take on tasks and responsibilities,” provides “excellent support,” and “engages throughout the campus and across units for the betterment of her division, unit and the college.”

“Carmen’s unique ability to adjust to all modes and levels of communication is unmatched ... It is quite common for students from all walks of life and experiences to applaud this extra attention Carmen gives them during advising sessions. “Carmen is a consummate professional who combines her advising expertise with genuine care and concern for the best interests of students and of the college. She works actively and diligently to learn about and to provide information about all corners of the campus (important dates, instructional departments, program requirements, pre-reqs, assessment, financial aid, etc., etc.).
