Maximum Annual Leave Accrual

The amount of vacation leave *classified employees* are allowed to accumulate is limited. Once a year, on each employee's anniversary date, Clark College's computer system checks leave balances and automatically eliminates any hours in excess of 240. For more details refer to your WPEA contract.

The amount of vacation leave that *administrative and exempt employees* are allowed to accumulate is also limited to 240 hours. Any amount in excess of 240 is removed from the system on October 1 each year.

All employees whose vacation balances (shown on paycheck stubs) exceed, or are approaching, 240 hours, should plan ahead with their supervisors to use excess vacation hours before the cut-off date.

For further information contact Human Resources.

SICK LEAVE BUYOUT – Deadline is January 31, 2015

Under the provisions of Administrative Procedure 635.025, the AHE CBA, and the WPEA CBA, eligible employees who have balances of more than 480 hours of compensable sick leave as of December 31, 2014, may choose to convert unused sick leave hours accrued in 2014 to monetary compensation. Any sick leave hours used during 2014 are deducted from the hours that are available to convert.

Compensation is calculated at the rate of 25 percent of the employee's current hourly rate. Employees who choose to participate in the buyout must be compensated for *all* eligible sick leave hours earned in 2014, not just a portion of them.

Employees considering buyout should be aware that the College offers a VEBA program to retirees which allows sick leave buyout dollars to be transferred to a VEBA account, tax free, to be used to pay for medical expenses during retirement. To be eligible for VEBA an employee must retire from state service and meet other requirements. For more details and eligibility requirements for VEBA contact a benefits representative in Human Resources.

Sick leave buyout application forms are available in Human Resources. The deadline for submitting completed forms is January 31, 2015. Payment will be received on February 25, 2015. Please call **Thao Schmidt, x2628**, or **Guisela Eberle, x2119**, for additional information.

Important Retirement Plan News

When benefits-eligible employees first enroll in a retirement plan here at Clark, they choose between plan options that are specific to their job classification. Some plans require you choose a contribution rate, and usually

that contribution rate is irrevocable. In January, however, some employees (primarily faculty and classified) may have the option to make a change.

FACULTY

In January 2015, faculty employees who are participants in the Teacher's Retirement System Plan 3 (TRS Plan 3) will have the opportunity to change their contribution rate as they have in past years every January. If you are a TRS Plan 3 member this is the LAST time you will have the opportunity to change your rate without changing employers. You can do this by completing a **TRS Plan 3 Contribution Rate Change Form** and turning it in to HR between January 1 and 31. Forms are also available online at www.drs.wa.gov or in HR.

Most benefits-eligible faculty members are on the TRS plan or TIAA-CREF. If you don't know which plan you are on check your paystub, which you can access from <https://www.clark.edu/EHT>.

CLASSIFIED EMPLOYEES & OTHERS

Each January, some employees who are in the Public Employees

Retirement System Plan 2 (PERS Plan 2) have the opportunity to transfer to PERS Plan 3. Classified employees are most often enrolled in either PERS 2 or PERS 3. Check your paystub if you don't remember which plan you are on. You can transfer if you were hired before 3/1/2002. When you log in to your account in **www.drs.wa.gov** you will see a message if you are able to transfer. If you transfer, you cannot go back to Plan 2. Also, if you are a TRS Plan 2 member (very few of us are), you have the opportunity each January to transfer to Plan 3. To educate yourself on the differences between the two plans go to **www.drs.wa.gov**. To transfer to Plan 3, complete the **Member Information Form** and turn it in to HR by January 31, 2015.

TIAA-CREF PARTICIPANTS (Administrative/Exempt and Faculty employees)

We will be offering individual sessions next quarter on January 27, 28, & 29 on the main campus in HR. Watch your email for an invitation and information about how to register.

EMPLOYEES IN A DRS PLAN CLOSE TO RETIREMENT

The 2015 Retirement Planning Seminar Schedule is now available from the Department of Retirement Systems (DRS). If you are a member of SERS, PERS or TRS and within five years of retirement you may want to register for and attend a seminar. The schedule of seminars in Washington for 2015 is now **online**. If you do not find a seminar near your location or on a date that is convenient for you, you may be interested in viewing our **recorded seminar** online. This seminar was recorded in Wenatchee on August 9, 2014, and is available for viewing at any time.

[What's Changing in 2014: Changes for 2014](#)

Effective July 1, 2014, surcharges will be added to some
employees' monthly premiums:

The new state budget, signed into law June 30, 2013, included several changes related to Public Employees Benefits Board (PEBB) benefits. The budget included two new surcharges:

- A \$25-per-month surcharge to premiums for employees and enrolled family members who use tobacco products, and
- A \$50-per-month surcharge to premiums for members who cover a spouse or domestic partner where the spouse or domestic partner has chosen not to enroll in other employer-based group health insurance that has an actuarial value of not less than 95 percent of the actuarial value of the PEBB plan with the largest enrollment.

Message from Health Care Authority: "PEBB continues to receive questions about the spouse and tobacco surcharges that will begin in July of 2014. We appreciate your questions and understand that there are concerns about how the surcharges could affect you and your family. Because the surcharges have so many potential impacts, we are working to ensure we've considered all aspects in member feedback as part of our decision-making process."

Please visit PEBB's website to see current information on the status of the surcharges: Surcharges

At this time, PEBB has not determined if employees will be given an opportunity to make changes before the surcharges start in July.

For those employees who believe the \$50 surcharge may affect their monthly premiums, you may want to determine if the coverage your spouse carries will allow changes when your premiums are affected in July.

If you do not wish to change your current medical or dental plans, and you not want to enroll in a FSA or DCAP Plan for 2014, you do not need to do anything, but it is recommended that you review your online account information to verify its

accuracy.

Go to the PEBB website and select My Account on the left side of the page. (If you haven't registered yet through PEBB's upgraded system, select *Register* under *New User*.) Input your email address and password. You'll see which plans you currently have and family members enrolled on your account.

YOU CAN MAKE THE FOLLOWING CHANGES DURING OPEN ENROLLMENT:

1. CHANGE MEDICAL OR DENTAL PLANS. If you are considering changing dental plans, be very certain your dentist will be available to you in the new plan. We recommend contacting the plan for confirmation. Plan customer service information is available at the HCA website: Medical Dental Plan Contact Information
2. ENROLL, IF YOU HAD PREVIOUSLY WAIVED COVERAGE
3. WAIVE MEDICAL COVERAGE, IF YOU HAVE OTHER COMPREHENSIVE GROUP MEDICAL COVERAGE (Coverage through the Health Benefits Exchange is **not** considered group coverage)
4. ADD ELIGIBLE FAMILY MEMBERS WITHOUT PROOF OF LOSS OF OTHER COVERAGE
 1. Dependent Verification documents are required if the dependent was not previously verified.
 2. Dependent children are not required to be enrolled in school to be covered up to age 26.
5. REMOVE FAMILY MEMBERS
6. CHANGE MEDICAL INSURANCE PREMIUM DEDUCTIONS TO PRE-TAX OR POST-TAX (IRC Section 125)
7. RE-ENROLL / ENROLL IN FLEXIBLE SPENDING (to continue participation in FSA, you must re-enroll every year)
8. RE-ENROLL / ENROLL IN DEPENDENT CARE ASSISTANCE PROGRAM (to continue participation in DCAP, you must re-enroll every year)

MONTHLY MEDICAL INSURANCE PREMIUMS FOR 2014:

Additional surcharges will be added to some employees' monthly

premiums effective July 1, 2014 (see information above)

PEBB's CDHPs (High Deductible Plans) for 2014

The PEBB Program offers consumer-directed health plans (CDHP) with a health savings account (HSA) through Group Health, Kaiser Permanente, and the Uniform Medical Plan (UMP).

If you are currently enrolled in a CDHP or are considering enrolling in a CDHP for 2014, here are a few reminders:

- The CDHP has a lower monthly premium balanced with higher annual deductibles and higher out-of-pocket maximums.
 - To enroll in a CDHP, you must meet the eligibility requirements of the HSA.
 - The maximum contribution to the HSA for 2014 is \$3,300 for an individual and \$6,550 for an employee with one or more family members on the account. Employees ages 55 or older may contribute up to \$1,000 more annually.
- Your employer contributes \$58.34 per month (\$700.08 per year) if you are enrolled as an individual and \$116.67 per month (\$1,400.04 per year) if you are enrolled with one or more family members.
- You may also make contributions through payroll deduction (if your employer offers payroll deduction) or make a deposit directly into the HSA.
- When you calculate your contribution for the year, please include both the employer contribution and your individual contribution. Verify that you're not exceeding the maximum contribution allowed for the year. The *Employee Authorization for Payroll Deduction to Health Savings Account* form can help with your calculations.
- The HSA funds are yours to use to help pay for IRS-qualified, out-of-pocket medical expenses. The funds carry over from year-to-year, and remain yours even if you are no longer enrolled in the CDHP, leave your job, or retire.

More information about the CDHP and the HSA is available on the PEBB website.

TRANSFER PROCEDURE FOR CLASSIFIED STAFF

Permanent classified employees who are interested in being considered for lateral transfer within the College, to a different position in the same classification in which they currently hold permanent status, or for voluntary demotion to a lower classification in which they formerly held permanent status, are encouraged to complete an "Application for Transfer, " which can be obtained from Personnel Services.

"Applications for Transfer" will be maintained on file in Personnel Services. When a classified staff position becomes available, the "Applications for Transfer" will be forwarded to the employing official for consideration.

Employing officials are encouraged to interview transfer applicants for vacant positions. Transfer applicants may be considered in addition to, or prior to, applicants from established eligible lists. If one of the transfer applicants is selected prior to advertising the establishment of a new eligibility list for the classification, or prior to certification of eligible from an established list, the employing official would not be required to interview other applicants.

"Applications for Transfer" may be filed at any time. If you have questions, please contact Katrina Golder, x2325.

MAXIMUM ANNUAL LEAVE ACCRUAL

HEPB rules limit the amount of vacation leave classified employees are allowed to accumulate. Once a year, on each employee's anniversary date*, Clark College's computer system checks leave balances and automatically eliminates any hours in excess of the 240 allowed under WAC 251-22-080. Classified employees whose vacation balances (shown on paycheck stubs) exceed, or are approaching, 240 hours, should plan to use excess vacations hours by the 15th of the month in which their anniversary date occurs.

*Anniversary dates are determined as follows:

If hired between the 1st and 15th of the month: Anniversary date is the 1st of the month hired.

If hired between the 16th and 31st of the month: Anniversary date is the 1st of the following month.

For further information or assistance, contact **Pagean Pallamouter** in Personnel Services, x2119.

RETIREMENT/RESIGNATION EARLY NOTIFICATION STIPEND

To assure sufficient time for an effective search for a replacement, the College will provide a one-time stipend to faculty in probationary or tenured positions who provide notification to the College by October 1 prior to the calendar year of retirement or resignation. Probationary or tenured faculty who have at least ten (10) years of service (including temporary, special programs, probationary and tenured faculty appointments) as of their last date of employment, will receive a \$5,000 stipend; probationary or tenured faculty with less than ten (10) years of service as of their last date of employment will receive a \$3,000 stipend.

To qualify for this payment, the President must receive signed, written notification from the faculty member, including the last date of employment.

VOLUNTEER REGISTRATION – REMINDER

College Administrative Procedure 430.005 requires all volunteers to register and get a background check in advance with Human Resources, and to submit time sheets to Payroll at the end of each month in which volunteer services are provided.

Volunteer Authorization Forms are valid for one fiscal year at a time. Volunteers need to register with Human Resources before performing volunteer services.

Questions regarding volunteers may be directed to Heidi Bealer at x2105.

FACULTY/STAFF ADDRESS CHANGES

If you change your name, address or telephone number, please complete a **NAME/ADDRESS CHANGE FORM** online on ClarkNet. Human Resources will forward changes to the Health Care Authority, however, you must notify your medical-dental insurance carriers.

OVERTIME REGULATIONS

Under the provisions of the Fair Labor Standards Act, employers are required to compensate employees who are eligible for overtime for all work they are directed or permitted to perform, including hours worked beyond scheduled work hours; further, liability for compensation is incurred

whether the employer knew or should have known that the employee was working.

College employees who are eligible for overtime compensation may not work beyond their regularly scheduled hours unless directed to do so or approved by their supervisors. Supervisors, in turn, are responsible for insuring that employees do not work beyond scheduled hours unless specifically directed to do so. Simply put, employees who are eligible for overtime may not work beyond their scheduled hours, even on a voluntary basis, without receiving overtime pay or compensatory time off, at the employee's option.

Questions regarding overtime compensation or work hours may be directed to Human Resources, x2105.
