

Honoring Excellence

On Opening Day 2013, Exceptional Faculty Award plaques were presented to, *left to right*, Darcie Thompson (accepting the award for her mother-in-law, Mickey Thompson), Patti Serrano, Bruce Elgort, Tony Chennault, and Mike Arnold.

Clark College President Bob Knight announced the recipients of the 2013 Exceptional Faculty Awards during the 2013 Commencement ceremony on June 20; they were presented with engraved plaques during Opening Day on September 11. This year, five faculty members—two part-time instructors and three full-time professors—received the award, which honors excellence in teaching.

The Clark College Exceptional Faculty Awards are presented annually to full-time and part-time faculty members in recognition of exemplary work performance, positive impact on students, professional commitment, and other contributions to

the college. Nominations are submitted by Clark College students, faculty, classified employees, administrators, alumni, Board members, and Foundation directors. The awards are made possible through an endowed trust fund established by the Washington State Legislature and the Clark College Exceptional Faculty Endowment Fund, which was established in 1993.

This year's Exceptional Faculty Award recipients are:

Mike Arnold

Mike Arnold, Health and Physical Education

Mike Arnold began teaching at Clark College in 1989 and over that time has taught everything from archery to weight lifting, as well as coaching athletic teams. His students praise him for helping them improve not only their bodies, but their minds and characters as well. "Not only does he want you to do well in his class, he wants you to do well in life," wrote one student in his nomination.

Another student wrote, "Mike Arnold is one of the most caring, respectable, honest and genuine people I have ever met. He is willing to help any student that is in need. ... He is more than a teacher; he is a friend and a mentor."

Tony Chennault

Tony Chennault, Biology

"Simply put, Tony Chennault is the best professor I have ever had," wrote one student in nominating Chennault for the Exceptional Faculty Award. Many students praise Chennault for making a notoriously difficult series of classes—namely, Human Anatomy and Physiology—fun and understandable.

Chennault, who also teaches Human Biology, began teaching at Clark in 2008 and received tenure in 2011. He strives to make his students feel comfortable as they tackle challenging material, providing them with helpful study tips and mnemonic tricks for learning anatomical terms. "I believe this award is a reflection of having a job that I truly love and am passionate about, and I take pride in bringing that passion and energy to class every day, trying my best to make learning the science of the human body fun for the students as I have fun, too," he said.

Bruce Elgort

Bruce Elgort, Computer Technology

Bruce Elgort has only been teaching at Clark since winter quarter 2013, but already he has made a huge impression on his students. “I was worried when I started his class that I wouldn’t be able to learn the material or properly grasp the concepts, but after I was in Bruce’s class for an hour, I felt confident and comfortable and able to learn anything,” wrote one nominator.

While Elgort is relatively new to teaching in a college setting, he has a long career in computer technology. He has worked for major technology companies, including Sharp and Underwriters Laboratories, and launched his own successful software company. When he teaches courses about programming, HTML, and PHP coding, he brings real-life experience from the work world into his classroom—a classroom that extends into the virtual realm through help sessions conducted via social media. “In today’s hyper-connected, ‘always-on’ world, the ability to extend the physical classroom is something that has become an integral part of all my work at Clark,” Elgort says.

Patti Serrano

Patti Serrano, Business Administration

Patti Serrano has had plenty of time to develop fans at Clark College—she began teaching here in 1981, beginning by teaching Fashion Merchandising before transitioning to Business Management and Marketing courses. During that time, Serrano has demonstrated leadership at the college time and again. She helped draft the college's Strategic Plan and participated in the college's last three accreditation efforts, as well as serving on countless committees to improve college functions; she has also served as head of the college's Business Department and chair of the Business Division. Additionally, she is a committed educator.

"Having known Patti Serrano for over thirty years, I have personally seen the many, many hours she has devoted to helping her students with guidance in professional and personal advice," said one coworker. "She has been a positive force for hundreds of students."

Mickey Thompson

Mickey Thompson, Paralegal

Mickey Thompson entered the legal profession in 1977, and she brings both a depth of knowledge and a great enthusiasm about paralegal work to her teaching. Students point to the countless hours she has spent serving as the advisor to the Clark College Law Club and to her patience when guiding them through the thicket of legal terminology.

“She’s compassionate, organized, strict, and funny all at the same time,” wrote one student in her nomination. “Legal procedure is tough and complicated, and Mickey makes sure that all of her students understand the course material and have a good grasp on the concepts.”

Permanent classified employees who are interested in being considered for lateral transfer within the College, to a different position in the same classification in which they currently hold permanent status, or for voluntary demotion to a lower classification in which they formerly held permanent status, are encouraged to complete an "Application for Transfer, " which can be obtained from Personnel Services.

"Applications for Transfer" will be maintained on file in Personnel Services. When a classified staff position becomes available, the "Applications for Transfer" will be forwarded to the employing official for consideration.

Employing officials are encouraged to interview transfer applicants for vacant positions. Transfer applicants may be considered in addition to, or prior to, applicants from established eligible lists. If one of the transfer applicants is selected prior to advertising the establishment of a new eligibility list for the classification, or prior to certification of eligible from an established list, the employing official would not be required to interview other applicants.

"Applications for Transfer" may be filed at any time. If you have questions, please contact Katrina Golder, x2325.

MAXIMUM ANNUAL LEAVE ACCRUAL

HEPB rules limit the amount of vacation leave classified employees are allowed to accumulate. Once a year, on each employee's anniversary date*, Clark College's computer system

checks leave balances and automatically eliminates any hours in excess of the 240 allowed under WAC 251-22-080. Classified employees whose vacation balances (shown on paycheck stubs) exceed, or are approaching, 240 hours, should plan to use excess vacations hours by the 15th of the month in which their anniversary date occurs.

*Anniversary dates are determined as follows:

If hired between the 1st and 15th of the month: Anniversary date is the 1st of the month hired.

If hired between the 16th and 31st of the month: Anniversary date is the 1st of the following month.

For further information or assistance, contact **Pagean Pallamouter** in Personnel Services, x2119.

RETIREMENT/RESIGNATION EARLY NOTIFICATION STIPEND

To assure sufficient time for an effective search for a replacement, the College will provide a one-time stipend to faculty in probationary or tenured positions who provide notification to the College by October 1 prior to the calendar year of retirement or resignation. Probationary or tenured faculty who have at least ten (10) years of service (including temporary, special programs, probationary and tenured faculty appointments) as of their last date of employment, will receive a \$5,000 stipend; probationary or tenured faculty with less than ten (10) years of service as of their last date of employment will receive a \$3,000 stipend.

To qualify for this payment, the President must receive signed, written notification from the faculty member, including the last date of employment.

College Administrative Procedure 430.005 requires all volunteers to register and get a background check in advance with Human Resources, and to submit time sheets to Payroll at the end of each month in which volunteer services are provided.

Volunteer Authorization Forms are valid for one fiscal year at a time. Volunteers need to register with Human Resources before performing volunteer services.

Questions regarding volunteers may be directed to Heidi Bealer at x2105.

OVERTIME REGULATIONS

Under the provisions of the Fair Labor Standards Act, employers are required to compensate employees who are eligible for overtime for all work they are directed or permitted to perform, including hours worked beyond scheduled work hours; further, liability for compensation is incurred whether the employer knew or should have known that the employee was working.

College employees who are eligible for overtime compensation may not work beyond their regularly scheduled hours unless directed to do so or approved by their supervisors.

Supervisors, in turn, are responsible for insuring that employees do not work beyond scheduled hours unless specifically directed to do so. Simply put, employees who are eligible for overtime may not work beyond their scheduled hours, even on a voluntary basis, without receiving overtime pay or compensatory time off, at the employee's option.

Questions regarding overtime compensation or work hours may be directed to Human Resources, x2105.
