

Spring Quarter Classified Staff Excellence Award

Counseling and
Health Center
Administrative
Assistant Marianne
Luther

Congratulations to **Marianne Luther**, recipient of the 2015 Spring Quarter Classified Staff Excellence Award!

Marianne Luther is the secretary senior for the Counseling and Health Center and is on the “front line” for walk-in students in crisis.

Luther is described as “wonderfully calm, friendly, supportive, and compassionate to all students visiting the center.” She patiently speaks with students to find out what they need; researches resources and provides directions to services on campus and in the community.

Luther has independently transformed the CHC lobby, adding free herbal tea, calming posters, positive thoughts that can

be torn off, puzzles, coloring books, and create-a-poem magnets. On her own initiative she created a “chill out” room where students can call crisis lines when counselors are unavailable.

Luther maintains a positive attitude and is very respectful and courteous to those around her by placing the needs of others in front of her own. One of her colleagues describe her as “by far one of the best administrative assistants I have ever had the pleasure of working with. Her warm demeanor, can-do attitude, compassionate tone, and friendly sense of humor have made her a huge asset to the Counseling and Health Center.”

Also nominated this quarter were:

Vanessa Meyer

“Vanessa Meyer was recently promoted to secretary senior in the Behavioral and Social Sciences Department, and has done everything needed to keep the place organized. She takes care of lockers, printers, and paper and ink cartridges as well as maintaining the mail room and keeping it free of clutter. She goes the extra mile to keep the break room tidy. Everything she does is orderly. When help is needed, Meyer takes prompt action and even delivers letters and books to faculty members who are less frequently physically present. The most important thing about her great customer service is her cheerful attitude. Vanessa displays a high degree of courtesy to her colleagues and others look forward to her services. Above all, this employee is polite and shows courtesy to the students, faculty and staff.”

Gail N. Robinson

“eLearning’s secretary senior, Gail N. Robinson, is a real cheerleader for success and will do anything to help all of her coworkers be successful in their jobs. Gail takes pride in making everyone around her shine. When she sees a need she

finds a way to help in any way she can. She considers each person's contributions and wisely considers all pieces for the best outcomes – she is very good at bridging gaps between biases and services. She respectfully communicates and advocates for those she supports. This is evident by the way she identifies events and opportunities for the eLearning staff, our Dean and other departments in the CLASS unit to reach out to and to support the college community. It is amazing how she organizes her time to accommodate so many staff so successfully. It is a privilege, to state the least, to have Gail as an eLearning team member.”

Thor Tesdale

“Thor Tesdale works for Facilities Services at CCW, as Maintenance Mechanic 2 and Painter. When Thor looks at a job, rather than saying it can't be done, he helps figure out ways to make it happen; and make it happen within financial limitations. He prioritizes jobs so that the most pressing deadlines are met first and schedules his work to minimize disruptions to students, faculty and staff. He also helps other co-workers complete tasks not related to his typical responsibilities. Thor is a team player! Many employees that work in facilities are not highly visible but their work impacts the college community in such a positive way. Thor is one of these people. His attention to detail is to be commended.”

Lynn VanHoomissen

“A former graduate of Clark College, Lynn VanHoomissen has worked in the Security Department as a parking checker, security officer, emergency communications operator, and currently as the program support supervisor. Lynn has always shown a dedication to the college and the Security Department. Recently Lynn assisted the Portland Police Bureau Crisis Negotiation and Southwest Washington Regional Crisis Negotiation Teams in a joint training session. In recognition

of the contributions, the negotiation teams presented the college with a framed Certificate of Appreciation. She is a member of the College Council, and a member of several committees, including On and Off Boarding and 25 Live. Lynn is also responsible for establishing the 'Bring Your Child to School Day' ID card, and participation in the initiation of the Whistle Program for students."

Winter Quarter Classified Staff Awards

Congratulations to **Jeri Kemmer**, recipient of the 2015 Winter Quarter Classified Staff Excellence Award!

Jeri Kemmer is the BEECH Unit Operations Supervisor and has been with Clark College for 19 years.

The following comment from one of her Secretary Seniors best summarizes Jeri's exemplary work performance: "Jeri really does go above and beyond when it comes to working at Clark College. She doesn't just do her job. She is constantly

exploring ways to make everyone's job easier and she's been instrumental in many changes that have happened within our unit and across campus. She won't simply accept the status quo. If there is a problem, she wants to find a solution that benefits everybody."

Jeri has served on numerous committees at Clark and has attended over 300 hours of professional development training in order to benefit herself, her job, and everyone at Clark. One office assistant wrote, "Jeri's work ethics are exemplary and she always has Clark's best interest in mind. She makes all of us better employees. I love working with her."

The College Community will celebrate all 2014-2015 nominees and recipients at the Annual Ice Cream Social held in September.

Thanks to the support of the Clark College Foundation, each quarter's recipient receives a \$400 cash award.

Other nominees for this quarter, with quotes from their nominations, were:

Karmel Baldwin, Secretary Senior, STEM

"Karmel shows excellence in work performance by staying on top of her work, completing assignments on time, and keeping paperwork organized, tracked, and moving through the system. Karmel strives to be the best at what she does, no matter where she is stationed. She has taken on significantly large workloads, supporting very large departments. She tracks budgets, paperwork, email, forms, new hires, evaluations, faculty and an enormous number of students; all with an upbeat attitude and a smile. Karmel is always quick to offer her

services, no matter what.”

Ernie Hasfo, Custodian 1, Facilities Services

“For 20 years Ernie has served as a custodian for Clark College. Over the years, he has taken on the tasks of window washer, hard floor specialist, and temp lead in addition to his regular custodial tasks. His co-workers can depend on him to be a team player and his positive and helpful attitude allow him to go the extra mile without being asked or complaining. Ernie is dedicated to outstanding service and excellence. Ernie is a good worker and supporter of the college. He cares about how his areas look and how he can improve the college.”

Carmen Roman, Program Specialist 2, Advising

“Carmen’s work performance is beyond exemplary and her work ethic is excellent. She is always prompt to meet with a student, and is mindful of their time. She provides concise and clear information that ensures students understand their pathways and goals. The information Carmen provides to students, faculty and staff is timely and accurate. She has an unmatched and unique ability to adjust to all modes and levels of communication. Carmen makes you feel comfortable with the entire student experience by her ability and manner of speaking and the respect given to her clients.”

Tia Schmidt, Administrative Assistant 3, Nursing

“When urgent and unexpected events occur, Tia has responded with creativity and unexpected solutions. She has often been the voice of reason and many times has been able to offer new perspectives, which have been invaluable when making hiring decisions. Tia is very considerate of new employees and goes out of her way to make them feel welcome. She goes above and beyond with her organization, attention to details, explanations of college systems and in sharing her experiences. Tia leads by example, exhibiting professionalism

with coworkers and is available to all her colleagues with an open door.”

Presidential Coins

Engineering professor Izad Khormaei receiving a Presidential Coin at the State of the College Address.

In 2007, Clark College President Bob Knight introduced a new honor at Clark College: the presidential coin.

The coin is given to faculty and staff members who provide exemplary service to Clark students, the college and the community. The honorees are decided by the president and are kept secret until the names are announced—generally on Opening Day in the fall or during the annual State of the College address.

Five Clark College employees received Presidential Coins during his 2015 State of the College Address on January 15. They were:

Carolyn Johnson

Carolyn Johnson

Carolyn Johnson has worked at Clark College in various capacities for 10 years, the past six of them in Career Services, where she currently holds the position of Employment Specialist & Co-op Coordinator. Her main focus and interests include assisting students with their job search and doing resume critiques. "I have seen her work tirelessly to help students start from a blank page, get the words on paper, develop a thoughtful summary statement, and assist with the smallest details of formatting," President Knight said in presenting her with the coin. "She does this with patience and care for the student."

Knight also cited Johnson's work with international students, helping them to understand American employment practices and job-search strategies.

Izad Khormaei

Professor Izad Khormaei has taught Computer Science and Engineering at Clark College since 2002. He also has teaching experience at Oregon Institute of Technology, Washington State University, and Iowa State University, as well as more than two decades of engineering and managerial experience at prominent companies such as Hewlett-Packard. He is also the founder of e1 Solutions, a Vancouver-based online business

software solution company.

Professor Khormae also organizes a quarterly exposition where Computer Science and Engineering students can present their ideas for projects, which can range from bark-cancelling noise machines that can mute a neighbor's noisy dog to mobile apps that help students with time management. "He loves working with students and helping them complete their projects," said President Knight.

Karla Sylwester with fellow dental hygiene professor Brenda Walstead.

Karla Sylwester

Professor Karla Sylwester, who is retiring later this year, has been the lead restorative instructor in Clark's Dental Hygiene program for more than 30 years. "She is regionally and nationally known for her teaching skills," said President Knight. "People call from all over the U.S. to get help from her for their board exams."

Sylwester regularly organizes group activities to help boost morale and student success, including her annual Halloween bowling extravaganza and her Monday night "Carving with Karla" sessions to help students pass their restorative board exams. Her no-nonsense demeanor has won her fans among students and

faculty alike. "Because she cares, she's tell you like it is," President Knight said. "I really appreciate that."

Audra Rowton

Audra Rowton

Audra Rowton began working in Clark's Purchasing department 13 years ago. She is now the department's secretary senior. Her work ethic began early: She earned her associate degree in secretarial science at Rio Hondo College in Whittier, California, while also working full-time.

"I love Clark College because I work with a lot of great people," said Rowton. "I really enjoy working with the faculty and being available to help the students with their questions."

Dean of STEM, Peter Williams; Vice President of Instruction Dr. Tim Cook; Jim Watkins; and Director of Facilities Services, Tim Petta.

Jim Watkins

Project Manager Jim Watkins has been responsible for managing and seeing through to completion many of the college's large capital projects, including the Clark Center at Washington State University Vancouver and Clark College at Columbia Tech Center (both of which came in on time and under budget, Knight noted). Currently Watkins is overseeing the construction of the new STEM building on Clark's main campus, after which he will begin planning Clark's new North County campus.

"He has earned a reputation for his thorough knowledge of all aspects of facility planning, design, and construction; his attention to detail; and his problem-solving skills," said President Knight. "He has taken on our biggest capital projects with enthusiasm, perseverance, and a commitment to building the best possible facilities for our students, faculty, and staff."

Sue Williams

Sue Williams

Sue Williams began her career at Clark in 1996 as a Human Resources Assistant Senior before becoming a Recruiting Manager, then Assistant Director of Human Resources, until moving to her current position as Associate Director of Human Resources. "She is the expert in HR policy and practices for the college," said President Knight. "She heads the training, recruitment, hiring efforts and the benefits team of the college efficiently and with a true team spirit."

Knight commended Williams for her "open, honest, consistent and fair" way of handling Classified Staff and Association for Higher Education discipline and grievance issues, and that "she is a huge asset to the college, supporting the students and employees without hesitation and always with a smile."

Maximum Annual Leave Accrual

The amount of vacation leave *classified employees* are allowed to accumulate is limited. Once a year, on each employee's anniversary date, Clark College's computer system checks leave balances and automatically eliminates any hours in excess of 240. For more details refer to your WPEA contract.

The amount of vacation leave that *administrative and exempt employees* are allowed to accumulate is also limited to 240 hours. Any amount in excess of 240 is removed from the system on October 1 each year.

All employees whose vacation balances (shown on paycheck stubs) exceed, or are approaching, 240 hours, should plan ahead with their supervisors to use excess vacation hours before the cut-off date.

For further information contact Human Resources.

SICK LEAVE BUYOUT – Deadline is January 31, 2015

Under the provisions of Administrative Procedure 635.025, the AHE CBA, and the WPEA CBA, eligible employees who have balances of more than 480 hours of compensable sick leave as of December 31, 2014, may choose to convert unused sick leave hours accrued in 2014 to monetary compensation. Any sick leave hours used during 2014 are deducted from the hours that are

available to convert.

Compensation is calculated at the rate of 25 percent of the employee's current hourly rate. Employees who choose to participate in the buyout must be compensated for *all* eligible sick leave hours earned in 2014, not just a portion of them.

Employees considering buyout should be aware that the College offers a VEBA program to retirees which allows sick leave buyout dollars to be transferred to a VEBA account, tax free, to be used to pay for medical expenses during retirement. To be eligible for VEBA an employee must retire from state service and meet other requirements. For more details and eligibility requirements for VEBA contact a benefits representative in Human Resources.

Sick leave buyout application forms are available in Human Resources. The deadline for submitting completed forms is January 31, 2015. Payment will be received on February 25, 2015. Please call **Thao Schmidt, x2628**, or **Guisela Eberle, x2119**, for additional information.

Heather White

Congratulations to Heather White, recipient of the 2014 Fall Quarter Classified Staff Excellence Award! The following is taken from her award nomination:

Heather White is the Program Support Supervisor for Disability Support Services. She has been with the college since 2002.

Heather provides a tremendous service to the community by facilitating communication between hearing and deaf consumers. Heather interprets and provides accessibility for campus events professionally and holds herself to the high standards of skill that she expects from all of her interpreters. Her performance in her work is the very definition of "excellence."

Heather always has a great attitude. She is compassionate to everyone who comes in seeking help. She takes the time to know the specific needs of the deaf students and the interpreters, and matches the student's needs with the interpreter's strengths. What is important to the student is important to Heather.

Heather works to improve our community in many ways. She is involved with the Sign Language Interpreter Program Advisory Committee at Portland Community College and is on the

Washington School for the Deaf Post High School Advisory Committee as well as the State Deaf Transfer Fair Local Advisory Committee. She is also on the Commencement committee and provides the interpretation at Commencement to make it accessible to deaf students, faculty, staff and audience members. She has taken on the role of placing interpreters for Washington State University Vancouver and Lower Columbia College.

Heather is a wonderful person to work with and for. Whether someone is a new or veteran interpreter, she makes sure we all feel respected and supported. She always listens actively and attentively and looks at each person as an individual.

Congratulations to all of the fall quarter nominees:

Vanessa Meyer: Vanessa is doing a great job in the department. She pays attention to details and maintains the office and its immediate environment, including the mailroom, elegantly. She is always the bigger person and is always polite, no matter what the situation.

Thor Tesdale: Thor works tirelessly to maintain the interior and exterior appearance of the college. He takes great pride in his work and makes sure the job is completed to satisfaction and on time. Thor prioritizes jobs so that the most pressing deadlines are met first. He is very personable and is willing to “bend” his schedule as much as possible to accommodate the needs of other individuals. Important Retirement Plan News

When benefits-eligible employees first enroll in a retirement plan here at Clark, they choose between plan options that are specific to their job classification. Some plans require you choose a contribution rate, and usually

that contribution rate is irrevocable. In January, however, some employees (primarily faculty and classified) may have the option to make a change.

FACULTY

In January 2015, faculty employees who are participants in the Teacher's Retirement System Plan 3 (TRS Plan 3) will have the

opportunity to change their contribution rate as they have in past years every January. If you are a TRS Plan 3 member this is the LAST time you will have the opportunity to change your rate without changing employers. You can do this by completing a **TRS Plan 3 Contribution Rate Change Form** and turning it in to HR between January 1 and 31. Forms are also available online at www.drs.wa.gov or in HR.

Most benefits-eligible faculty members are on the TRS plan or TIAA-CREF. If you don't know which plan you are on check your paystub, which you can access from <https://www.clark.edu/EHT>.

CLASSIFIED EMPLOYEES & OTHERS

Each January, some employees who are in the Public Employees Retirement System Plan 2 (PERS Plan 2) have the opportunity to transfer to PERS Plan 3. Classified employees are most often enrolled in either PERS 2 or PERS 3. Check your paystub if you don't remember which plan you are on. You can transfer if you were hired before 3/1/2002. When you log in to your account in www.drs.wa.gov you will see a message if you are able to transfer. If you transfer, you cannot go back to Plan 2. Also, if you are a TRS Plan 2 member (very few of us are), you have the opportunity each January to transfer to Plan 3. To educate yourself on the differences between the two plans go to www.drs.wa.gov. To transfer to Plan 3, complete the **Member Information Form** and turn it in to HR by January 31, 2015.

TIAA-CREF PARTICIPANTS (Administrative/Exempt and Faculty employees)

We will be offering individual sessions next quarter on January 27, 28, & 29 on the main campus in HR. Watch your email for an invitation and information about how to register.

EMPLOYEES IN A DRS PLAN CLOSE TO RETIREMENT

The 2015 Retirement Planning Seminar Schedule is now available from the Department of Retirement Systems (DRS). If you are a

member of SERS, PERS or TRS and within five years of retirement you may want to register for and attend a seminar. The schedule of seminars in Washington for 2015 is now **online**. If you do not find a seminar near your location or on a date that is convenient for you, you may be interested in viewing our **recorded seminar** online. This seminar was recorded in Wenatchee on August 9, 2014, and is available for viewing at any time.

Exceptional Classified Staff Awards

Melissa Williams receives her Exceptional Classified Staff

Award during Opening Day 2014.

Opening Day is traditionally the occasion for announcing the yearly Exceptional Classified Staff Awards, which recognize two classified employees for their contributions to Clark College. Recipients receive a glass plaque and \$1,000, funded through an anonymous donor's contributions to the Clark College Foundation.

For their "exemplary work performance, outstanding service to the college, a positive and cooperative spirit, and/or special achievements or contributions to the college," Enrollment Services Program Coordinator Melissa Williams and Facilities Services Custodian Derald Richards were named the winners of the 2014-2015 Clark College Exceptional Classified Staff Awards.

President Knight presents Derald Richards with his Classified Excellence Award.

Derald Richards, Custodian

Derald Richards was described in his nomination as "consistently performing at a level above and beyond the scope of his job."

While Richards is naturally a quiet and retiring person, those

who work with him regularly at Clark College at Columbia Tech Center have learned to value his cheerful attitude, helpful suggestions, and the way he takes pride in everything that is asked of him. One nominator wrote, "He will drop whatever he is doing to assist staff, faculty, or students. No matter how busy he is, he always greets everyone with a smile and never a complaint."

Another coworker summed Richards up with just two words: "Super Wonderful!!!"

President Knight presents Melissa Williams with her Exceptional Classified Staff Award.

Melissa Williams, Enrollment Services Program Coordinator

Whether they know it or not, probably every student who registers for classes at Clark has been supported in some way or another by Melissa Williams. Her nomination states that she "consistently goes far beyond what is expected of her job title to see that students, faculty, college staff, and the community get what they need. She earnestly engages in students' experiences at Clark and has helped to create an environment of focused customer service, communication, and

teamwork. Her communication skills have been instrumental in explaining policies and procedures, assisting new staff, keeping her coworkers in the loop when changes occur, and keeping everyone up to date on a daily basis. Her approach, keeping students as the forefront of what we do, has improved and enhanced Clark College's ability to meet the changing needs of our student population. ... In truth, she is the very definition of an exemplary employee."

Other nominees for 2014-2015 were: Scott Coffie, eLearning, Information Technology Specialist 4; Rose Gardner, Administrative Services, Office Assistant 3; Silvia Marinova, Business Technology, Instruction & Classroom Support Technician 2; Vanessa Meyer, Behavioral & Social Sciences, Secretary Senior; Lynn Vanhoomissen, Security & Safety, Program Support Supervisor 1; Jennifer Vernon, Early Childhood Education, Program Specialist 3; and Heather White, Disability Support Services, Program Support Services Supervisor 2.

The Clark College Foundation instituted the yearly Exceptional Classified Staff and quarterly Classified Staff Excellence awards in 1997 to recognize exceptional staff members. Nominations may be submitted by classified, administrative and exempt staff; faculty; students; alumni; retirees; college trustees; and Foundation directors.
