

Open House: Veterans Center of Excellence

Often when veterans enroll at Clark College, they aren't aware of the assistance they can receive at the center, said Megan Anderson, manager. Even students who are not veterans themselves but have a parent or spouse who is or was a veteran, may qualify for Veterans Affairs (VA) education benefits. Staff can connect student veterans to agencies, programs and support.

Clark College in remote operations March 21-25

As part of its commitment to energy efficiency and sustainable practices, Clark College will be closed to the public March 21-25.

One of the ways this commitment is fulfilled is by a “soft closure” of most buildings and services for two separate weeks per year. A soft closure means some programs close entirely, some work remotely, and some remain on campus.

The first soft closure was the week of December 20-24, 2021, and the second is March 21-25, 2022.
