

# The Bloom Bot Challenge

This spring, the challenge of precise seed distribution caught the eye of the Engineering department. From their windows overlooking the garden, an idea took root: what if students could build a robot to solve this real-world problem?

---

## Fun and Games at Spring Fest 2025

The lawn near Anderson Fountain was abuzz with excitement as students, staff members, and families played games and connected with fellow Penguins during the annual Spring Fest.

---

## Bee Campus Seed Sowing

Volunteers from throughout Clark College donned boots, gloves, and warm clothing to sow wildflower seeds in the cold at several bee garden locations on campus.

---

# **Bee Campus Seeks Volunteers Feb. 13 and 14**

The large, blooming gardens of native wildflowers that pop up each spring on Clark's campus don't happen by accident, but through careful maintenance by Bee Campus Project Manager Steven Clark, the Bee Committee, and the help of our community.

---

## **Bee Campus Talk and Tour**

Thanks to Clark's Teaching and Learning Center (TLC) for organizing a Bee Campus Talk and Tour with Steven Clark, biology professor and Bee Campus project manager on June 5.

---

## **Bee Campus**

The college community participated in Bee Campus garden seed sowing this winter to add to, and maintain the bee habitats.

---

# **Clark College newly certified by Bee Campus USA**

Just in time for Earth Day, Clark College was certified as an affiliate of the Bee Campus USA program on April 20, joining 165 other college campuses and 179 cities across the country united to make their landscape attractive to pollinators.
