

One Book, Two Books

As Theodor Geisel (aka “Dr. Seuss”) once wrote, “Unless someone like you cares a whole awful lot, nothing is going to get better. It’s not.” Heeding those words, Clark College has chosen to make the beneficiary of its sixth annual “Seuss-a-Palooza” book drive and literacy event Vancouver’s Crestline Elementary School, which was destroyed by fire in February 2013.

The Clark College Bookstore is hoping that Seuss-a-Palooza supporters will purchase 190 copies of the Dr. Seuss classic, *One Fish Two Fish Red Fish Blue Fish*. The books will be given to kindergartners and first-graders at Crestline’s temporary location on Read Across America Day (held on March 3, the day after Geisel’s birthday). Books will be read aloud to students by volunteers from Clark College Bookstore.

Copies of the selected Dr. Seuss books will be available for purchase and donation Feb. 10-21 for \$6.85 each (plus tax). Each book will have a nameplate for the donor’s name. Donors will be able to purchase books at the Bookstore or online via the Bookstore’s website at www.clarkbookstore.com, making it quick and convenient to participate in the book drive.

“Last year’s book drive had already begun when we learned about the fire at Crestline, so it was unfortunate that we couldn’t collect donated books for them then,” said Clark College Bookstore buyer Marti Earhart, who helps organize the event. “However, the Crestline students are still in temporary facilities and are sacrificing a lot while they wait for their

school to be rebuilt. We chose Crestline students as the book recipients of this year's book drive because we want the children, parents, and staff to know we think of them and care."

The Clark College Bookstore is located in Gaiser Hall on the northern end of Clark's main campus. Clark College is located at 1933 Fort Vancouver Way, Vancouver. Driving directions and parking maps are available at www.clark.edu/maps. Information about the bookstore is available at www.clarkbookstore.com. For additional information, contact Marti Earhart at the Clark College Bookstore at 360-992-2261.

Choppers, Gunk, Bugs and Barges

On Saturday, November 2, Clark College's main campus was fizzing like a lab beaker as hundreds of students participated in the Southwest Washington Elementary Science Olympiad. Almost 300 third-through-fifth grade students from 19 local elementary schools participated in the half-day event, which included five competitions: Green Eggs Go Bam!, Chopper Challenge, Tug-o-War Gunk, Benthic Bugs, and Buoyant Barges. (See complete results from the contest.) In addition to hosting the event, Clark provided more than 60 volunteers, most of them students. This was Clark's sixth year of hosting the event, which helps promote STEM (science, technology, engineering, and math) among young learners.
