

Engineering Pasta Towers

Fall term's Engineering Design Competition featured an edible building material: Pasta!

Exploring Healthcare and Bioscience Careers

For students wondering about a career in healthcare or bioscience, the Career Connect event on November 19th gave students a behind-the-scenes look into this high-demand industry.

Career Fair

Gaiser Student Center was a hub of connection between employers and people seeking jobs during the Clark College Career Fair on May 17.

Pizza with the President

The event "Pizza with the President" provided students an opportunity to ask questions of Dr. Edwards.

Student Art Show

The opening reception and awards ceremony for the Art Student Annual exhibition of Clark College art students drew students, faculty, staff, family members and the community.

Professional Baking Capstone

The Penguin Student Lounge looked and smelled like a delectable bakery as second-year students in Clark's Professional Baking and Pastry Arts program displayed their creations as part of their capstone project.

Meet Warlock Carol Hsu

Clark College Engineering Professor Carol Hsu is an immigrant, a woman of color, and a pioneer of sorts who pursued a mechanical engineering degree at a time when only 10% of engineering students were women.

Inaugural Black Student and Family Fair

More than 125 people attended the Black Student and Family Fair in Gaiser Student Center on April 15. Although most students were of high school age, middle school and elementary students also attended.
